

We are dedicated to providing the best lending software with superb service for your business.

Why Goldenomega.net?

- During the past 22 years in business, we have surpassed all other software and GoldenOmega has become the PREMIER choice for lending software.
- Windows, feature rich software to manage all aspects of the loan origination, loan document preparation, servicing, trust fund management, Calif. DRE reporting, impounds, pool fund management, ACH, web publishing, marketing, emailing, CRM and graphics.
- Strong trust accounting software that follows strict trust accounting principles eliminates fraud potential and audits violations.
- Unique in the industry loan document preparation software for customizing attorney drafted own loan documents or modifying over 250 docs provided in the software.
- Fund management software that works with multiple member distribution options; no Excel sheets necessary!
- Loan servicing software with modern design and many mini or major features to list, that provides flexibility in servicing loans.
